FLAVOR MENU

Signature marinades, panko breading, spices and rubs for meat or seafood!

MARINADE

Mixtures of vinegar or wine and oil with various spices and seasonings; used for soaking foods before cooking. All natural with no preservatives!

JD Barrel Bourbon - Flavors of tomato, onion, sweet carrots and herbs with a hint of whiskey and wood smoky finish.

Lemon Dill - We blend garlic, lemon, dill, pepper and just a bit of sweetness to balance out the flavor.

California Orange - Orange, pepper, bell pepper and nutmeg balanced in a marinade that brings thoughts of California orange groves.

New Orleans's Rajin Cajun - Taste of red wine, tomato, onion, coriander and pepper blended just right to transport your imagination to The Big Easy!

Spicy Buffalo - We use hot sauce, garlic and a buttery finish to honor the sauce used on Buffalo wings. It's also great on shrimp!

PANKO

Panko bread crumbs are a light, crispy Japanese bread crumb that has a lot more crunch than traditional Western-style breading. Panko is loved by chefs throughout the world because it is extremely good for breading foods like chicken, pork and fish.

Italian - Bread crumbs infused with flavors of fennel, red pepper, oregano, garlic, paprika and red bell pepper.

Orange Coconut – Bread crumbs flavored with white & red pepper, coconut, onion, orange peel and paprika for color.

Caribbean – Paprika, ginger, mustard, thyme, fennel, allspice, red pepper, black pepper, cloves, onion and garlic all combined with panko to bring you the taste of the Caribbean!

Lemon Almond – We start with Japanese bread crumbs, flavor them with sugar and lemon, then add parsley and almonds. This is a classic flavor for any and all fish!

SPICES & RUBS

An aromatic vegetable blend used as a flavoring or condiment.

Eastern Shore – A combination of celery, mustard, chili, pepper, parsley, bay leaves, allspice and cardamom with our special salt that does not release until cooking starts.

Spicy Poppy Seed – A combination of tomato, red and green bell peppers, thyme, paprika, coriander, and garlic mixed with blue and black poppy seeds gives a flavor you will have to experience for yourself.
